

INTERIM USE APPLICATION

NOW Hunters Point is working with the Bayview Hunters Point community to build a vibrant new hub that will transform a former industrial site into a dynamic center of activity. Central to this work are interim uses that will provide programming to activate the site to the benefit of the neighborhood and San Francisco.

| introduction |

Thank you for your interest in submitting a project for consideration as an interim use at NOW Hunters Point. Please be aware that all proposed projects must:

- Be temporary
- Support the stated Project Goals
- Address the needs and desires of the local community
- Have an active community outreach component
- Require no permanent improvements to the site
- Require no trenching or excavation
- Have physical components that are easily disassembled
- Be able to be relocated with 30 days notice
- Meet the project's local hiring requirement (30% of all staff hours supporting the use)

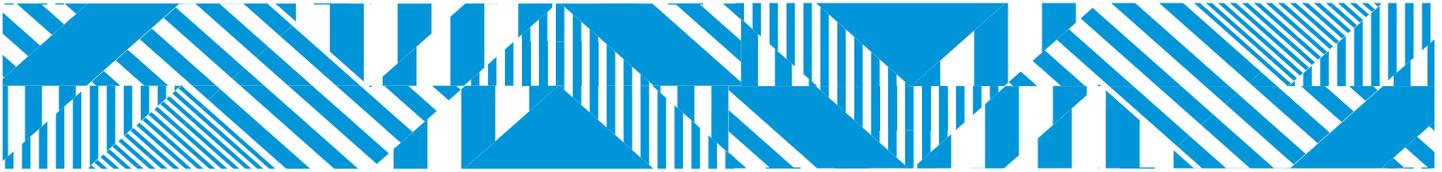

Additionally, the Selection Committee will also consider the applicant's previous support of underserved communities, commitment to sustainability, and capacity to undertake the proposed use. Preference will be given to applicants based in Bayview Hunters Point or with strong ties to the neighborhood.

We entertain applications for use on a rolling basis. All applications will be considered by the NOW Hunters Point Selection Committee, which consists of members of the project design and development team, PG&E staff, and community members.

Please allow 4-6 weeks for a response to your proposal.

| project goals |

- Create economic and job education opportunities by implementing interim uses that increase public engagement, community amenities and workforce training and education
- Create cultural and artistic opportunities by implementing interim uses that encourage activities that emphasize a mix of public spaces and arts in the community
- Strengthen and support the existing neighborhood
- Connect the project area to the adjoining natural resources
